UNITED STATES INTELLIGENCE BOARD

MEMORANDUM FOR THE UNITED STATES INTELLIGENCE BOARD

SUBJECT: Current Status of Soviet Heavy and Medium Bomber Programs

1. Attached is a memorandum on Soviet aircraft production for use by the Director in briefing the NSC. We now believe this briefing will take place on Thursday, 4 June 1959.

2. This matter was mentioned at the 40th USIB Meeting on 26 May, and the proposed briefing note is forwarded for information and such comments as the Members may desire to make. Any comments should be passed to Dr. Sherman Kent  preferably not later than Tuesday, 2 June.
